9. Stage**	Annual turnover 50 - 70 Mio EUR	**5250,- €**
10. Stage**	Annual turnover 70 - 100 Mio EUR	**6300,- €**
11. Stage**	Annual turnover > 100 Mio EUR	**8400,- €**

* Annual basic and minimum contribution increases continuously by 1.5 % each year.

** For large companies and groups it may be the case that divisional sales or revenues for the respective material, additive, mechanical engineering or service is taken as a base. When joining or for change of contribution it must be conclusively explained and defined if the entire group turnover is not to be taken as a basis. When in doubt, the executive board will decide on the contribution of the company concerned.
